## The final consultation will close this month.

We will then collate and reflect on the feedback, ahead of submitting a planning application to the London Borough of Newham.

We will however continue to receive any comments from residents and update them as we progress with the proposals.

We believe our vision for Phase 3 will have a positive impact on Newham and London more widely, delivering:

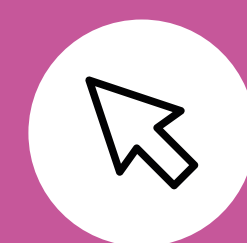

- ✓ 20,000 sqm of additional modern continuous event space
- ✓ Up to 170 new jobs when open with an aspiration that at least 50% will be for local people
- ✓ 130 Jobs to be created during construction
- ✓ Greatly improved public realm for the local community to enjoy
- ✓ Eateries and leisure facilities that will expand SMEs in Newham
- ✓ A more animated, open and inclusive PPR for residents and visitors
- ✓ A highly sustainable building that will deliver a BREEAM rating of 'Excellent'
- ✓ Improved link to Prince Regent DLR and access to venue amenities
